MAH LED HI 19W-NW RYF

MAH LED HI 19W-NW RYF	22606	19	2400	4000	110	grey
MAH LED HI 38W-NW RYF	22607	38	5000	4000	110	grey
MAH LED HI 48W-NW RYF	22608	48	6400	4000	110	grey

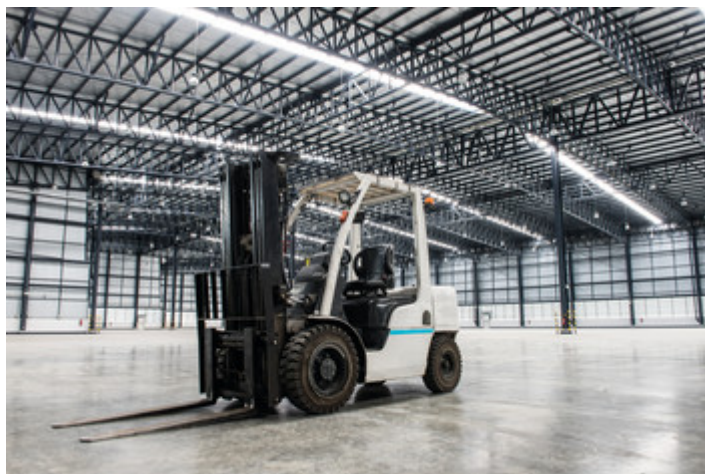

Kanlux MAH LED HI are hermetic luminaires designed for demanding users. They are characterised by exceptional luminous efficacy reaching 105 lm/W. Kanlux MAH LED HI luminaires are easy and quick to mount and can be connected in lines, enabling the illumination of large spaces. In Kanlux MAH LED HI luminaires, we used a grooved lampshade, which increases the luminous flux.

- 5 years Warranty under the terms of the warranty statement, available on our website
- Enclosure material: PC
- Lampshade material: PC
